

## THE NEW SCHOOL ROUTINE!

- Please adhere to our one-way system
- Please keep to the staggered drop-off and collection times.
- Please do not linger in the playground or at the school entrance and exit.
- Only one adult per family accompanying pupils.
- Maintain social distance

Unfortunately we still have some individuals failing to follow these rules. We understand that it can be inconvenient, particularly if you have more than one child, however, we are doing this to keep your child, your family and our staff safe.

In inclement weather, please do not congregate under the canopies.

## NHS TEST AND TRACE!

Please find attached an important letter from NHS Test and Trace.

Following our return to school after the summer break and with the onset of colder weather, we are suffering from the usual colds, sore throats and other minor illnesses. It is important that we work together to protect society from the increase in COVID-19 cases. Please read the letter to ensure that the test and trace service is used appropriately.

## AUTUMN TERM PARENTS' EVENING!

We are unable to hold our usual Autumn Parents' Evening this year. Instead, your child will receive a short report, on Wednesday 14th October, to update you on how they have settled in the first few weeks back at school. Should you have any concerns following receipt of the report, you may request a telephone call with the class teacher.

Should you have any concerns prior to receiving your report, please contact the school office who will arrange for the class teacher to call you.

## INTERNET SAFETY MESSAGE

'Do not open it if you do not recognise it!'

Accepting emails, messages, or opening files, images or texts from people you don't know or trust can lead to problems — they may contain viruses or nasty messages!

## NASAL FLU VACCINES

IntraHealth will be in school on Tuesday 3rd November 2020 to administer the usual annual flu vaccine. Permission forms will be sent out nearer the time. The vaccine will be available for all pupils. The vaccine is given as a spray squirted up each nostril. It's quick and painless.
